

Scholarship donations are now being accepted. All amounts are appreciated, and you can include a check with your reunion fees.

We need your help identifying December 2011, May & December 2012 and May 2013 High School, Technical School, and College graduates. You can email the name, year of graduation, and school to Nonetta Sode at nosode@swbell.net, or you can give the graduation information to any scholarship committee member.

Our Vision:

The Whitcomb-Dorsey-Dalton Family recognizing graduates; encouraging family members to do their best in school; and encouraging family members to pursue higher education.

Thanks for your support.
